***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach that the relaying base station continuously transmits a data frame without providing the period without data transmission based on the information on the non-mobile condition received from mobile communication terminal as recited in the claims 1, 8, and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Soon D. Hyun whose telephone number is 571-272-3121. The examiner can normally be reached on M-F.
